

TecNiq's E96 is designed for extreme environments, this high-brightness spot and flood lamp projects the main beam of light just 30° off of the mounting surface. A secondary, lower-intensity light emits a rectangular flood pattern over a wide angle. Even more unique is its true surface mount construction. Employing 6 ultra-efficient power LEDs, driven at their maximum power, combined with the high efficiency lenses you expect from TecNiq, this lamp is sure to impress you and your customers for its quality, performance and cost.
