TecNiq inc

Changing the Shape of Light™

Introducing the M30 Pontoon Docking Light. The ALL NEW M30 lights are built on the same foundation as all TecNiq Lights – superior engineering, sleek design, and an unwavering committment to the highest quality product on the market. Each light includes an all new passive heat resistant body, as well as high powered LEDs that provide up to 100,000 hours of performance. The M30's come in either (3) or (6) LEDs, and an available stainless steel cover option.

**See www.TecNiqInc.com for more details and a complete list of part numbers.**
