

TecNiq's **BRAND NEW M510 3-in1 Navigation/Docking/Courtesy** lights are ready to hit the market. Designed to give boaters an all-in-one solution for safety and coastal boating regulations. The M510 is a surface mounted light that provides 1750 lumens at the docking light position, while also providing a 100,000 hour lifespan. The M510 also provides a navigation light that is visible up to 2NM, meeting all NMMA and Coast Guard specs.

See www.TecNiqInc.com for more details and a complete list of part numbers.

M510
