

The **T10** is a quality waterproof 15" lamp that can be mounted in unique locations where space is at a premium. While narrow and thin, it meets FMVSS requirements with a wide angle of bright illumination for maximum safety. Unlike similar lamps, TecNiq's light is **TRULY** vacuum sealed for a lifetime of care free service. The quality and value of this lamp is unsurpassed in the industry. **See www.TecNiqInc.com for complete details and a complete list of part numbers.**
