

While narrow and thin, the **T12** meets FMVSS requirements with a wide angle of bright illumination for maximum safety. Unlike similar lamps, ours is TRULY vacuum sealed for a lifetime of care-free service. Made with top-quality materials, urethane potting and durable polycarbonate construction. **See www.TecNiqInc.com for more details and a complete list of part numbers.**

T12

Over 80" ID Bar

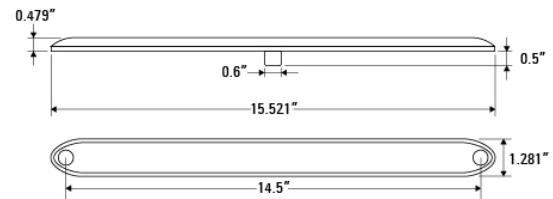

Technical features

- ✦ Meets all FMVSS 108 requirements for wide and narrow vehicles
